January at Holy Trinity

Early on Tuesday January 6 Shabir was found frozen to death in this transit shelter at Dundas and Yonge Streets, which is geographically in our parish. The community of Holy Trinity discussed our response online and gathered with others for a vigil that evening at 5 PM.

The Homeless Memorial was held at its usual time on Tuesday January 13. There was increased interest and attendance in the wake of four homeless people dying on the street. Visit our [Facebook page](#) to see some of the media coverage of both these events.

January 4 Celebrated 10 years of San Esteban's ministry here at Holy Trinity and a community baptism with Bishop Philip Poole.
